WANT TO SEE MINE?...

.....

Last year I went back to summer school to try to further my education. It turned out to be a lot of fun. I didn't learn much but I got to fuck a lot of girls that I met there. I thought it was such a cool thing that I decided to enroll in night school to see what that was all about. I took an art class because I thought the most liberal girls would be in it, and was I right. There were three of them and one was married and a couple had kids but no husbands. As far as I was concerned, they were all fair game.

One evening I was drifting off in class, actually trying to fall asleep when I hear, "Justin, quit staring at my butt?" That was Rockie, the cute blonde that sits right in front of me. "I'm not, but you know your ass is so hot." She turns around and giggles at me. I pick up the sign this time and after class I invite her for coffee.

We go to the corner coffee shop and find a small sofa to sit at. I get the drinks and after a few we get to talking about our sex lives. Mine isn't too

interesting and, it turns out, neither was hers. She says her boyfriend has a small cock. She thought it was cool at the start because she could easily get it all in her mouth, but when it never got much bigger, it never satisfied her pussy. She asks me what my size is and I humbly brag that it's eight inches. She leans over and looks at my crotch and says "Let me see it!"

She reaches down but I stop her. We're in a public place, I thought. But now the damage was done. My penis starts to grow in my pants. I wanted to take it out and show her but I didn't. She suggested we go back to my place so she could see it. How could I refuse, horn dog that I was. We get to my place and park it on the couch. "I gotta get home soon, so let me see it." she says. Immediately she unbuttoned my pants and pulled them down. She grabbed it, and when she saw it perk up after fingering it for a second, she started asking me all sorts of questions because she said her man had lost

..... interest in sex:.....

"Justin, quit staring at my butt?"

That was Rockie, the cute blonde that sits right in front of me.

"I'm not, but you know your ass is so hot."

I told I hadn't, as she could see from my now seven-inch-on-the-way-to-eight-inch cock. She giggled some more when, in return, I asked to see her boobies. She unbuttoned the front of her shirt and there they were, full and round in her bra. I took off her shirt and went to take off her bra when she looked at me smiled and turned around. She told me how bad she had been and that I should take it off for her.

After that, I took off her panties and started to rub her clit. She told me to rub faster so I rubbed faster with my tongue darting in and out of her pussy. She seemed to really enjoy it so I went faster until she said watch out, but that turned me on more so I kept licking. When she came she screamed. I lapped up her pussy juice but left plenty for lubrication. She turned around and grabbed my cock and she was going to please me now. She grabbed my penis and shoved it in her pussy only once to get the juices all over it, then she started to work her digi-magic.

Her hands were way better than mine, softer, more tender, more attentive. Then she started making rings around the head with her tongue.

.....

Within three minutes of this attention, I managed to get a "I'm cumming!" out of my mouth but she sucked on it until I was screaming in pain because of how tender it got after cumming.

But Rockie couldn't stop. I could only watch as her tongue circled the head once more being sure to get under the rim, searching out every last drop. When she finally was satisfied, she hurriedly got dressed and headed for the door. "I gotta go right now." she said. "I'm gonna give my boyfriend the best blow job he's ever had." Damn, and there wasn't a damn thing that I could say to that?

– Justin in Tempe

ROMANCE U...

Despite my youngish age (I'm twenty), I have always been told that I have an old soul; although I know myself to also have a naturally youthful attitude toward life, and understanding of the absolute importance of joy and ultimately, of sex. In this crazy world sometimes it is the most essential, and human of needs that are left by the wayside.

She grabbed my penis and shoved it in her pussy only once to get the juices all over it, then she started to work her digi-magic.

Since I have a great passion and inner need to look after and care for people, I am determined to cater to all of these needs. This could be having an open ear for you, a gentle touch, sharing laughs, experience intimacy and providing genuine companionship. To me, this is what a good companion does and I strive to be your perfect partner in escape and fun.

Just like the time I knew I was being naughty and I knew I was excited by it but I just kept kissing, opening my mouth and letting his tongue explore mine, sharing our breathing until we'd started rubbing our hips together. My boobs were mashed against his chest and I could feel hardness against me. In a few minutes he asked me if I was still okay with this and my answer was reaching down between us and feeling his cock through his pants while starting a very deep kiss which I remember ended with him taking me into the bedroom.

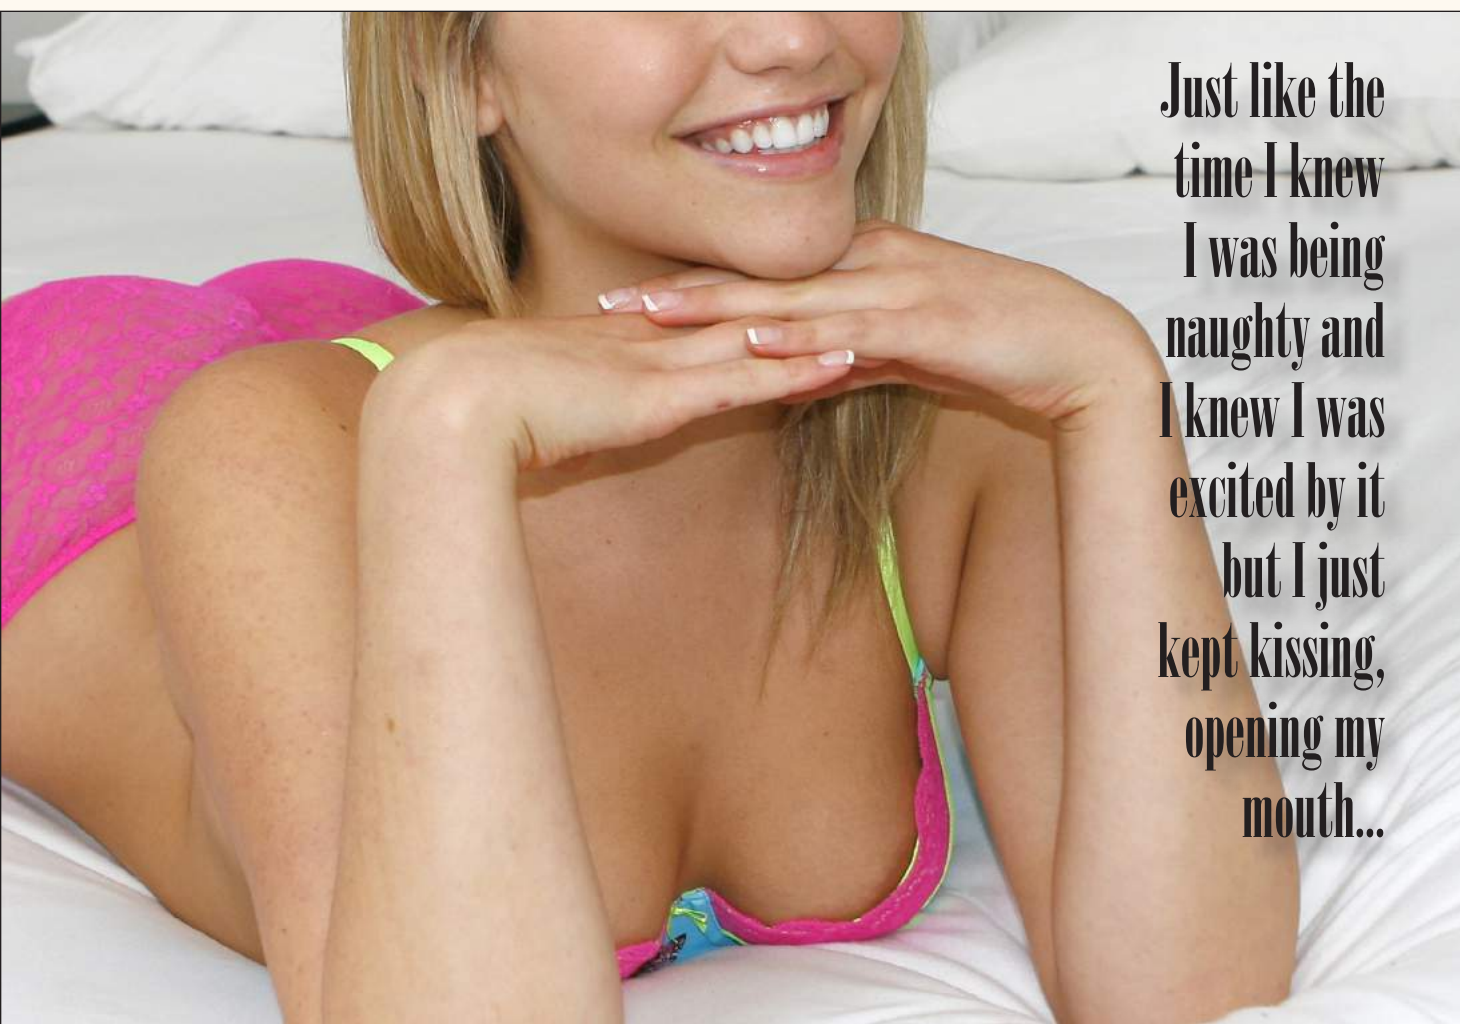

I reached around and fumbled a bit with his belt buckle, his zipper and, breathing really, really fast, forced my wrist and hand inside his opened pants until I could actually feel the skin of his cock. It was hard, very thick and

quite long with two large, very warm balls beneath. The head was covered by skin when I first touched it and I knew I was feeling my first ever uncut cock, actually, the third or fourth cock I'd ever felt. When I touched the tip, then fondled his balls, he squirmed, moved his legs apart and reached around to take my skirt off and find the waistband of my panties. He pulled it back and slide his big fingers down to the thin black hair on my front down low and then rubbed the very wet lips of my opening.

When he did that, I almost fell on the floor as my legs suddenly went very weak. He caught me, lifted me and took me to the bed where I remember he leaned me against it, removed my top, my bra, slid my lace panties and skirt off. He then stood, never taking his eyes off me, and dropped all his clothes and sat me down facing him.

Dear reader: please close your eyes and imagine what I am doing to him. A proper lady is only a tease. She does not kiss and tell. I will tell you, I was not a proper lady that night.

– Lainey H. in Memphis

Erica called me saying she wanted to come over and play. Since it's been raining for days and we both have cabin fever, I told her to come over. She lives two floors down so why did it take an hour to get here? Well, after she got here, I told her she needed to be punished with my play-cock. We stripped down, got in the tub and didn't waste any time getting it on!

Britt goes to one of these spas where exotic fish eat the dead skin off her body. It sounds creepy, but it feels really good, and her skin looks great! The owner lets her go in there n sometimes, and she loves it when the little fishies nibble on her! She says it's something everyone should try at least once!

A blonde woman with long hair is posing outdoors. She is wearing a two-piece bikini with a colorful floral pattern and light blue lace trim. She is standing next to a rough stone wall, with her left hand resting on it. She is looking back over her shoulder towards the camera. The background shows a lush green landscape with trees and a clear sky. On the right side of the image, there is a partial view of another person's legs and feet, wearing high-heeled sandals.

sammie sheds all

The other day, I got quite a surprise. I caught my man looking at a girlie magazine in the bathroom. I was quite surprised, but not upset. If it makes him happy – and horny – then that's fine by me. I took it as a lesson learned. I think I'll show him I can do better than the girls on those pages!

WHAT THE HELL...

I'm writing in appreciation of the more mature woman. I'm twenty myself but like over-thirty year old MILFs. I love these women and they like me. Once they know that I'm interested in sleeping with them, the task is so much easier. Since I moved to this high-end, North Shore suburb of Chicago, I've been getting all the mature nookie I can handle. I found a job at a small hair salon whose clientele is just my type. It is wholly managed and owned by a lovely lady, Lea. She is a great boss, accommodating her clientele and never rude. There are only three employees working at the shop, two ladies and myself.

I'm pretty well built, not gay, and know how to charm the ladies. Lea's now divorced saying the shop is her current lover. She has a great sense of dressing. She mostly wears skirts in the shop. We are frank to each other. During lunches, mostly talk and pass our time, as fewer people come in at noon time. Today, it's 8:30 in the morning when I left my home for the shop. I'm always punctual. I'd reached the shop 10 minutes later since it's not far from my house. Truth be told, Lea, who is 33 years old, is very attractive. This morning she's wearing a black skirt just a bit shorter than her knees. She's as tall as me with blonde hair, a sexy ass, and full breasts. I was attracted to her from the moment I interviewed with her. It was quite busy today and we were tired by lunch time,

so she decided to close the shop for an hour after looking at the afternoon bookings. Nobody was in the shop except us. So we started our inevitable conversations as usual about the clients and their problems we always seem to hear about.

During our break, Lea invited me to stop by her house tonight on the way home for a drink. She was leaving early and I could close the shop down. I said that would be nice and she left in the early afternoon. I decided to go home first and freshen up and then left for her place. As it was a casual invitation for drinks, I wasn't shocked to see her in a housecoat while opening the door. Tasteful but sexy. I entered the house and she invited me to sit on the sofa. The drinks were already on the coffee table. I blurted out, "Do you dress this way when company's coming?" She smiled at me and leaned over to get the drinks. Of course, her boobs fell forward filling the flimsy bra top underneath.

She handed me a glass of wine and held one for herself. I decided, 'what the hell,' and sat back on the sofa making myself comfortable. We started drinking. After a couple of glasses more, the conversation became more heated. "I'd like to play a game of cards," she said. She brought out a deck when I agreed. After playing for sometime, she asked to add a new rule to it. Every time when one person loses he/she must take off a piece of clothing. Sounded like strip poker to me, and I knew I was a winner because she only had on a few things.

She won the first hand. I quickly unbuttoned my shirt. I was quite horny by now. The next few hands

were won by her and I didn't lose on purpose. I ended up naked. She lost the next three hands and by now we were both naked and a little tipsy. I stared at her boobs and felt my cock throbbing under the table. "Well, what do we play for now?" she asked coyly. I volunteered that we could play to see who is going down on the other first. She was not surprised and dealt out the next hand. I lost, that is... I won.

That is, I lost the hand and she got to go down on me first, so she got down on her knees and started playing with my member. It felt great when she licked the tip, then took it inside deeper. She asked me to fuck her mouth, I did exactly that as she twirled my swollen balls in her hand. We both were moaning, and when I came in her mouth, it seemed she came too. My cum was dripping out of her mouth on her breasts, she rubbed it in, and let me do it, too. I licked my own sperm off her nipples, she was breathing deeply, then I slid down and put two fingers inside her. While I was fingering her, I also licked her clit. She asked me to keep doing it.

She soon came and shouted out loud in ecstasy. We lay on the sofa for the next few minutes, then went to her bedroom. She lay on her back, spread her legs and told me to fuck her. I got on top, positioned myself over her and thrust my dick in. We talked dirty as we fucked, and we both moaned as we climaxed; laughed about some incidences at the shop and ultimately fell asleep in each other's arms. Fortunately, the next day was Monday and the shop was closed.

.....

I just had to write because I bagged my first twenty-something last night. I was at our company picnic that was being held at a large local park. The weather was nice and there was a huge turnout. I had only been working at the company for a year since my transfer from Columbus so many faces were new to me.

One of them was this very attractive babe named Robin. She was sitting at one of the picnic tables eating some potato salad and there was an open seat next to her so I asked if I could sit. The table had another six people sitting and the noise level was quite loud. I introduced myself to the people around me, and to Robin. She said hello and little else for several minutes.

I tried to get a conversation going with some short questions, where did she work, how long, did she like it. Her answers were short but very polite. She also asked about me and I told her. After a half hour or so, the table cleared and Robin and I were the only ones left. I asked if I could sit opposite her and continue our conversation. She said fine and we talked away the afternoon. I found her fun, vibrant, full of things to say about the company, some good some bad. And married.

Turns out she was a departmental manager with twenty staffers under her. I told her I was in mar-

keting and hoped to stay a long time. As the day wore down we went our own ways but at the end of the day as we all gathered for a little pep rally from the bosses, she came up and stood beside me. We said 'Hi.' again, and she asked if I wanted to get a drink after the picnic. "Just the two of us?" I asked. "Just us." she replied. Did this hottie just asked me out? I can't wait.

Later we met at a local restaurant and had dinner and drinks. We laughed throughout it and I became more and more infatuated with her. Her eyes were mesmerizing and her body was killer. As the night wore down the conversation got hotter and more suggestive. She said her boyfriend had moved out a month ago to be with another man and she hadn't quite recovered from the shock. Suddenly, she asked if I would come home with her and after initially refusing, I thought better and told that I would like to.

We went to her home and it was very nice with a lot of oak and antique looking stuff throughout. We wasted little time getting it on. The dinner conversation and a few extra drinks made us ready for this. She went to her bathroom to get comfortable and she told me to strip down and sit on the bed. I covered myself quickly with a pillow. My cock was very hard already and I was a little embarrassed. She came out of the bathroom, naked. Wow, did she look good, but before I could get a better look, she came over, flung the pillow off me and took my dick in her hand, bent down, looked at it hungrily, and licked the tip of it.

As the head of my dick disappeared into her

.....

mouth, she surrounded it with her warm lips. As soon as she began to suck on my cock all the nervousness just fell away. Turns out she was a really good cocksucker. She slid her hand under my balls and gently began massaging them back and forth as she sucked on me.

I stopped her and sat up. I then moved on top of her, skin to skin. She opened her legs and I got between them. Her nipples were nice and very hard and, as my cock nudged her pussy, I could feel she was bare and smooth down there. I kissed her lips and then kissed and licked my way down her neck and chest to her hard nipples. I took each one, in turn, into my mouth as I licked, nibbled, chewed, bit and sucked on them as hard as she could take it. All this time she was squirming below me and my dick was knocking on her love hole.

She moaned out loud pushing my head south and on to her now soaking pussy. I kissed and licked my way down to that lovely pussy of hers. As I slid my hand over her wetness, she thrust her pussy at it. She was like a wanton woman by the time I got two fingers deep inside her. I strummed her clit with the fingers of my other hand. Soon she was right at the edge of no return and begged for me to suck on her clit and make her cum, which I obligingly did.

Thankfully the next day was the fourth and we stayed in bed all day, fucking another two or three times before I had to go home. At work We would see each other passing in hallways and always smiled. It's two months later and while we haven't reunited, I'm sure we will... Or not...

All this time she was squirming below me and
my dick was knocking on her love hole.

tiffany double stuffed

I have a week to learn to shoot with a bow and arrow. I've come to the woods with two classmates that are going to show me how to do that. Maybe I can get our dinner tonight. But first, I promised the guys to show them what I do best – fuck. Not just fuck, but fuck two guys at the same time. It didn't take much convincing, especially when I unzipped their panys and pulled those cocks out and into my mouth. Not too many girls can handle that. I'm a go-getter and when there are a couple big cocks around, I go get them.
